

DÉPAYSANTS

Art Submission Guidelines

Enacted: October 11, 2021

Last Revised: March 23, 2024

For artwork submissions, please email lesdepaysants@aup.edu and put ARTWORK SUBMISSION in the subject header. In the body of your email, please include your name and any other information you would like to be displayed. Please attach your work, *the work's title, date, medium*, and any other necessary documents to the message.

Please be aware that when you submit to our website we may edit and condense your content (to the extent that it does not change your ideas, thoughts or general expression) to match with the style and format of our website and digital magazine. You may request to view our edits before we publish but please know that decisions of artistic direction, styling and placement are up to the Dépaysants team and are not up for consultation.

Please note that submission does not guarantee publication in the magazine or website, but we encourage all interested artists to submit regularly.

For any further questions please contact us at lesdepaysants@aup.edu or @depaysants

Submissions:

- We accept anything from traditional fine arts to contemporary creative forms such as photography, video, audio, sculpture, performance art, street art, and the plastic arts (i.e. drawing, painting, etc.)
- When submitting you MUST include the *work's title* (or Untitled), the *date* (or year) it was created, and the *medium*. Please feel free to include an artist background or an artist statement to accompany your submission.
- When submitting images or video, please shoot with the highest quality when possible; this includes high-resolution and RAW or large file formats. If you are sharing multiple high-resolution files, we encourage you to use a file sharer like Google Drive, Dropbox, Microsoft OneDrive or WeTransfer.
- Film photography and video is not bound to the same quality restrictions as digital media due to the nature of the format. iPhone or other mobile cameras are welcome, but high quality is required unless otherwise dictated by the nature of the project.

Standard Regulation For All Submissions:

Keep in mind that DÉPAYSANTS is a university publication and while we encourage those interested to express themselves fully without censorship, unfortunately, some works exhibiting overly explicit concepts may not be published and are subject to review. This includes, but is not limited to:

- Hateful or offensive messages (such as discrimination based on race, sexuality, gender, etc.)
- Pornographic content
- Substance abuse
